 9 a.m. - 4 p.m.  
 Cost: \$275

## Week 2

Monday, Aug 8 - Thursday, Aug. 11  
 Ages 13-18  
 (Full-size Field)  
 9 a.m. - 4 p.m.  
 Cost: \$275

→ These baseball day camps are designed for players who are interested in further developing their skills after most organized (team) play is over. The camps will take place on the Bryant University campus and will utilize the same baseball and softball facilities, both inside and out, the college teams use. Individual instruction will be given in all aspects of the game each morning as well as drill work in hitting, pitching, catching and fielding.

→ After a full lunch is provided on campus, game play will also occur daily with an emphasis placed on individual skills as well as team concepts. We offer this camp to kids who want to become better players and get a jump on the transition to the next seasons level of play! 12 year olds that are finished with Little League should sign up for the Week 2 Session, which is played on a regulation size field.
