CAMP DIRECTOR

Steve Owens - Steve Owens became the Dolphins head coach in 2000. Owens has the 13th highest winning percentage among all active Division I coaches in the country. The 2004 & 2006 MAAC Coach of the Year and the 2003 ABCA/Diamond Northeast Region Coach of the Year, Owens is one of the youngest coaches in the country to reach the 500-win plateau. Over his first ten seasons at Le Moyne, Owens has led the Dolphins to more victories than any coach in a ten-year period in program history. He has posted a record of 314-190 (.623), including seven of LeMoyne's eight 30-win seasons at the Division I level. The Dolphins qualified for the MAAC tournament in seven of his first eight seasons, winning four regular season titles in five years. Including his eight-year stint at Cortland State, Owens is 559-272-1 (.672) in 18 seasons as a college head coach, averaging over 31 wins per year. In addition, his conference record at Le Moyne stands at 159-47 for a winning percentage of .771. In 18 seasons, Owens' clubs have appeared in the post season 15 times and have eclipsed the 30-win plateau on 13 occasions. In addition to the three appearances in the NCAA Division I tournament, Owens led SUNY Cortland to seven NCAA Division III Regional tournaments and four trips to the NCAA Division III World Series. Owens' post-season coaching record of 54 wins against 33 losses (.620) reflects the consistency with which his teams have excelled year after year. In addition to 10 NCAA appearances, his teams have won 12 conference titles. With team success comes individual success as 13 players have earned All-America honors, three have been honored as Academic All-Americans, and two garnered Freshman All-America accolades. In addition, 32 players have been named All-MAAC and 16 players All-Region in his time at the heights. Owens' talent in evaluating, projecting and recruiting players combined with his style of player development has led to 27 players signing professional contracts. In each of his 10 seasons at Le Moyne, Owens has seen at least one of his players move on to the professional ranks. Since 2003, 17 players have signed contracts highlighted by five after the 2004 season. On five occasions, two or more players have been drafted in the same year. Entering the 2010 season, six players are still on active professional rosters. One of the winningest coaches in college baseball, Steve Owens has earned numerous accolades including Conference Coach of the Year on seven occasions, five-times the ABCA NCAA Regional Coach of the Year and 10-time recipient of the Louisville Slugger Coaching Award. Owens earned a Bachelor of Science Degree in Sport and Leisure Studies from St. Lawrence in 1987. While at St. Lawrence, he played both baseball and football. An All-ECAC third baseman and shortstop, Owens was a four-year starter on the diamond and two-time Most Valuable Player. He was named the Outstanding Senior Athlete at St. Lawrence in 1987. Owens hit .454 as a senior and finished his career with a .349 batting average. He stole 73 bases in 80 attempts. In the Fall, Owens will be inducted into the St. Lawrence Athletic Hall of Fame. Owens was drafted by the Chicago Cubs and spent two seasons in their organization, including stints with Geneva in the New York-Penn League and with the Charleston (W.Va.) Cubs. He has developed camps and clinics that routinely attract up to 850 kids per year.

INDOOR CAGES

Purpose:

The Steve Owens Baseball Camps are designed to give the young baseball player an opportunity to develop and improve his baseball skills, while at the same time providing him with an enjoyable week on a college campus. An experienced and enthusiastic coaching staff will teach all of the fundamental skills that are necessary to develop into a better baseball player. Game playing is also an important part of the camp as it will allow the individual to put into play the skills developed throughout the week. While specializing at one position for instruction, games will allow each player the opportunity to work out at other positions. The focus of the camp will be on player development and improvement. **No written evaluation is provided.**
